

CONNECTING CARE ROUNDTABLE COMMUNIQUE 01 MAY 2020

Dear Roundtable members

Connecting Care Phase 4 (February – June) continues to progress and we are pleased to keep you updated with these regular short Communiques.

Connecting Care Portal and Facebook Page

www.connectingcaretas.com.au

www.facebook.com/connectingcaretas

- Fifth short video **Using Telehealth** launched this week in response to concerns that many in the community have stopped going to to see their health professional and are unaware of alternatives. Features local Central Coast GP Dr Emil Djakic
- Telehealth Fact Sheet developed
- New “local news” icon replaces Events Calendar
- Local Resource Directory entries continue to be extended and more Central Coast organisations contacted to ensure our Directory captures the right information for our Community. These will be progressively added to the Directory

Please encourage providers who have been contacted to respond – without their help we can't provide this information

Community Health Literacy

- Two Community Health Literacy Training sessions by Zoom planned for **Tuesday 12 May 2020** and **Friday 5 June**. Again these are aimed at front line staff and volunteers. We're including an optional stress management session. Invitations go out next week.

Sustainability of Connecting Care Program after 30 June 2020

- Community Governance Model progressing well and will be sent to Roundtable members shortly for your comments
- Please don't delete 30 June Roundtable meeting from your diaries as this will go ahead in one form or another

Judi Walker, Project Lead and Julie Jacobson, Roundtable Interim Chair
Vanessa Morley and Hayley Covey, Project Support Officers
Gary Walker, Data Management Project Officer
